

Our company is part of Africa Internet Holding, a global and leading incubator of startups specialized in e-commerce. AIH is the leading internet group of Africa with already over 1,500 employees in 16 African countries and huge successes such as **Jumia.com**, **Kaymu.com** and **Jovago.com**. It is led by top talented leaders offering a great mix of local and international talents and is backed by **Millicom**, **MTN** and **Rocket Internet**.

We are currently looking for a **Financial Assistant Intern** to join us at Porto Tech Center.

About the Job

- Assisting in the management, accounting and invoicing
- Help in forecasting, reporting and periodic plans and accounting closing
- Collaboration in the preparation of forecasting, reporting and preparation of the plan of accounting closing (monthly, semi-annual and annual);
- Account control - clients and suppliers
- Calculation and monitoring of KPI's main business and administrative activities in general.

Who are we looking for?

- Degree in Business Administration, Economics, Finance or Accounting;
- Fluent spoken and written English;
- Good knowledge of MS Office;
- Great communication and analytical skills
- Team player and customer orientated
- Available for traveling
- SAGE knowledge will be a plus

We offer:

- Opportunity to work with startups yet on huge international scale impacting millions of revenue and users
- The chance to become part of our company if proven to be a good fit in such dynamic and competitive environment
- As compensation you will get your transportation covered as well as receive meal allowance, not forgetting our many goodies - company events, free snacks, fresh fruit and drinks

Up for a challenge?
