

TOMORROW'S YOURS FOR LEARNING

...AND/SO APPLY TO A DESIGN - INTERNSHIP

We champion curiosity and personal ambition. The more you learn, the more you progress – and so do we as a Company. That is why we invest in you and in your development. You keep broadening your horizons, discovering and experiencing the new and unknown every day, packing more experience in a shorter timeframe.

LEARN THE SKILLS THAT OPEN THE DOORS TO ANY CAREER YOU WANT

Work on diverse, real life situations and business projects in the Commercial Planning & Activation department. To support the development of visual elements associated to brands activities, create and deliver impactful and meaningful communication on internal and external presentations. Master new skills, gain new knowledge and new perspectives. Share your insights and contribute to your team. Meet Tabaqueira and Philip Morris International leaders and professionals in a multicultural environment.

WE OFFER

- A paid internship, starting in April 2016;
- International and fast-paced work environment;
- Opportunity to learn more by interacting with dynamic teams at different levels of experience and expertise across the Company.

YOU HAVE

- Design or Communication Design Degree;
- Knowledge in graphic design (preferably in Adobe Illustrator and Adobe Photoshop);
- Advanced level of English;
- Strong motivation for development and learning;
- Action Oriented and Problem Solving attitude.

COME AND DISCOVER THE WORLD OF PHILIP MORRIS INTERNATIONAL!
