Trainee - Recruitment Resourcer

Would you like to join one of the fastest growing startups in the world? **Talkdesk** – a 2016 Forbes Cloud 100 Company – is the world's leading cloud-based contact center software provider. We have awesome investors (DFJ, Salesforce Ventures and Storm Ventures). We are looking for a world-class Content Writer to help us continue on our hyper-growth trajectory and shape the future of Talkdesk.

The role:

- Identify hard to find candidates and ensuring that there is a constant flow of qualified candidates for each vacancy
- Research about market
- Pre-screening candidates essentially over the telephone but also face to face
- Updating and maintaining inhouse candidate's system
- Advertising vacancies

Requirements:

- experience as a recruitment consultant or resource, preferably in IT area
- Good communication skills written and spoken in portuguese and English
- Strong ability in understanding requirements for the purpose of sourcing quality candidates and market
- Ability to deliver results at short notice by being highly proactive and organized
- Flexible in approach and able to work well under pressure
